

BEVERLY J. BAKER

Principal Oracle Trainer | Enterprise Enablement Leader | Technical Executive Advisor

Founder & CEO, Beverly Baker Consulting, Inc.

EXECUTIVE SUMMARY

Principal Oracle trainer and enablement leader with 25+ years of experience designing and delivering advanced technical education for enterprise Oracle implementations. Certified Senior Oracle Instructor with a proven record training engineers, DBAs, architects, and functional teams across Oracle Cloud, analytics, middleware, and database technologies.

Combines deep hands-on implementation experience with the ability to translate complex Oracle ecosystems into scalable, supportable knowledge frameworks. Frequently selected to design custom bootcamps, certification-aligned programs, and enterprise enablement strategies for global consulting firms, government agencies, and higher education systems.

TRAINING & ENABLEMENT EXPERTISE

- ◆ Oracle Cloud HCM, Financials, ERP, SCM
- ◆ OTBI, OBIEE, BI Publisher, FDI / FAW
- ◆ Oracle Database, RAC, Performance Tuning
- ◆ WebLogic, SOA Suite, Middleware Architecture
- ◆ Custom Curriculum Design & Certification Prep
- ◆ Executive, Technical & Cross-Functional Audiences

PROFESSIONAL EXPERIENCE

BEVERLY BAKER CONSULTING, INC.

Founder, CEO & Principal Oracle Instructor | 2005–Present

Deliver senior-level Oracle technical training and enablement programs aligned to enterprise implementations, organizational strategy, and certification goals.

Selected Training & Enablement Engagements include:

- **Accenture (AFS)** – Designed and delivered a custom Oracle Cloud HCM technical bootcamp for new consultant hires, spanning common application framework, OTBI/Analytics, OCI, APEX, and functional HCM domains.
- **PwC / Randstad / ExitCertified** – Designed and delivered 8-week Oracle certification programs; achieved a 100% certification pass rate across multiple cohorts.
- **University of California (OP & UCSD)** – Designed and delivered enterprise reporting and analytics training programs supporting Oracle Financials Cloud and OTBI adoption across campus and foundation.
- **U.S. Air Force (AFIPPS)** – Led Oracle EBS and OBIEE certified training and custom curriculum development in support of a global personnel and pay system rollout.
- **Southwest Gas** – Key contributor to training and change management for a full Oracle EBS R12 implementation across three states.
